

Electrify your fleet with InCharge. Get our best rates with Sourcewell.

Sourcewell is a local government unit and service cooperative in Minnesota that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. InCharge Energy was awarded a Fleet Electrification, Transition Planning, Management, and Related Services contract which provides equipment, products, and services to Sourcewell Participating Entities.

Sourcewell Contract #051123-INC
This contract expires July 19, 2027.

Services Provided

This contract assists Sourcewell Participating Entities with Fleet Electrification Planning, Management, and Related Services, such as:

- Feasibility assessments and planning
- Total cost of ownership assessments
- Strategic roadmap development
- Implementation and management services, including:
 - Incentive identification and processing
 - Subscription or as-a-service
 - Acquisition
 - Installation
 - Integration
 - Charging management
 - Telematics
 - Training and education

Participating Entities can take advantage of turnkey solutions that utilize a combination of equipment, products, services, delivery, and installation.

Customer Process

To access the contracted equipment, products, or services, a Participating Entity must clearly indicate to supplier that it intends to access this contract; however, order flow and procedure will be developed jointly between Sourcewell and supplier. The Participating Entity can issue a purchase order directly to InCharge Energy using its own forms, but must clearly note Sourcewell Contract #051123-INC.
