

Electrify your fleet with InCharge. Get our best rates with TIPS.

The Interlocal Purchasing System (TIPS) is a department of Texas Region 8 Education Service Center, a government entity. TIPS provides a valuable and necessary solution to public entities and qualifying non-profits by performing the legal public procurement solicitation process and awarding compliant contracts to qualified vendors. InCharge Energy's TIPS contract allows for the turnkey installation of electric vehicle charging infrastructure, including charging hardware, software, site analysis and roadmapping, project management, installation/commissioning, and ongoing support and maintenance.

TIPS Contract #230604

This contract expires August 16, 2026.

Services Provided

TIPS' statewide contract for Vehicle Parts, Supplies, Equipment and Affiliated Services allows InCharge Energy to:

- Respond to requests from a number of different types of educational, governmental and public institutions seeking Electric Vehicle Charging Station products and services.
- Provide parts and supplies that include but are not limited to: Electric Vehicle Charging Stations and associated infrastructure as required by the local and state regulations.
- Provide services including but not limited to: the installation of electrical conduits and electric connection to supply power for the complete operation and installation of the Electric Vehicle Charging Stations.

Customer Process

1. Member reaches out to InCharge Energy and asks for a TIPS quote.
2. InCharge Energy provides the Member a TIPS price for the specified products/services in compliance with the TIPS contract.
3. If the Member decides to move forward, they will:
 - Create a Purchase Order (PO) to InCharge Energy and reference TIPS Contract #230604.
 - Scan the PO and InCharge Energy quote as a PDF file and email to tipspo@tips-usa.com.
4. TIPS will process the order within 24 hours. Once approved:
 - An email is sent to the Member with a link to download an Order Confirmation Authorization Letter.
 - An email is sent to InCharge Energy's designated PO Contact to download the PO and process the order.
5. InCharge Energy processes the order, delivers goods, and completes the work.
6. Member follows the agreed upon terms for payment.
