

Overview

This InCharge cable management system improves the usability and appearance of compatible DC Fast charge equipment and makes it even easier for users to handle, especially in extreme weather conditions.

This efficiently-designed system can be easily bolted into the existing holes at the top of the charger and includes 1 or 2 cable retractors to protect the charging connectors and their cables.

Key Benefits

- Cable management lifts charging connectors off freezing or hot pavements and prevents damage from vehicle runover
- Durable plastic-coated stainless steel retractor cables
- Supports ADA requirements of existing equipment
- Indoor or outdoor use
- Mounting hardware included

Cable Retractor Kit shown on Terra 184

Specifications

- Single (CCS1) or dual (CCS1-CCS1, CCS1-NACS, CCS1-CHAdeMO) connector options
- Dimensions: (D) 5 in x (W) 35.75 in x (H) 7 in
- Dual Retractor Weight: 25lbs / 11.34kg

Cable Retractor Kit

Compatible Chargers

- Terra 54/54HV
- Terra 94/124/184

Ordering Information*

Product Code	Product Configuration
JCA-DCR	Dual Cable Retractor for ABB Terra 54 Chargers
ESA-DCR	Dual Cable Retractor for ABB Terra 124, Terra 184, Non-High Current Chargers
AA-SCR	Single Cable Retractor for ABB Terra 124, Terra 184, High Current Chargers
AA-DCR	Dual Cable Retractor for ABB Terra 124, Terra 184, High Current Chargers
