

Overview

This InCharge pedestal for Level 2 chargers is a flexible solution for every charging location. With its small footprint and multiple configuration options, the Single or Dual Mount Level 2 Charger Pedestal is built with adaptability in mind, supporting a variety of fleet use cases and charging needs.

A single compatible AC Level 2 charger can be mounted alone or can be mounted back-to-back or next to a second charger. Built in hooks provide a cable management solution for improved appearance and greater ease of use, especially in extreme weather conditions.

Key Benefits

- Multiple configurations for adaptability in various charging locations
- Cable management lifts charging connectors off freezing or hot pavements and prevents damage from vehicle runover
- Space-saving and compact design for efficient use in tighter spaces
- Engineered for stability and durability
- Includes access panel for easy installation
- Indoor or outdoor use
- Mounting hardware included

Specifications

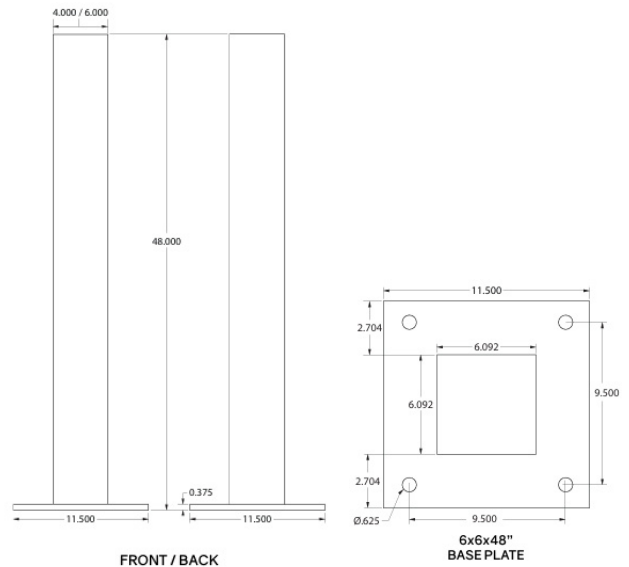

- Dimensions: (D) 11.5 in x (W) 11.5 in x (H) 48 in

Compatible Chargers

- ICE-40A
- ICE-80A
- ICE Dual-80A
- ABB Terra AC Wallbox
