

Overview

This InCharge cable management system improves the usability and appearance of compatible DC Fast chargers and makes it even easier for users to handle, especially in extreme weather conditions.

The efficiently-designed system, which can be easily bolted directly onto the top of the DC Fast charger, features a light bar that conveniently displays the charger's status with four color indicators.

Color	Status
Green	Available
Yellow	Currently charging
Blue	Discharging (V2X / V2G+)
Red	Error

Light Bar Cable Retractor (shown on ICE-60)

Key Benefits

- Cable management (with 2 cable retractors) lifts charging connectors off freezing or hot pavements and prevents damage from vehicle runover
- Supports ADA compliance of existing equipment
- Slim design for ease of use even when space is limited
- Light bar indicates charger status at a glance
- Indoor or outdoor use
- Mounting hardware included

Specifications

- Dual (CCS1-CCS1, CCS1-CHAdeMO) connector options
- Dimensions: (D) 3.75 in x (W) 37.4 in x (H) 13.375 in
- Weight: 46lbs / 20.87kg

Compatible Chargers

- ICE-60/120/180 All-in-One
- ICE-66 V2X
- ICE Slim Line Dispenser
