

### Overview

The Modular Pedestal for DC Fast chargers combines durability, flexibility, and a compact footprint to support a wide range of charger models. Designed for long-term reliability, it can be easily upgraded to the Light Bar Pedestal as site needs evolve. Its sturdy construction accommodates up to two holsters with cable management functionality, helping keep charging areas organized, accessible, and user-friendly—even in harsh weather conditions. This adaptable pedestal is built to enhance both the performance and the appearance of any charging installation.
